

School Uniform at Wheatley Hill

At Wheatley Hill Community Primary, we believe that school uniform is incredibly important and having a school uniform gives the school an identity and encourages children to take pride in their appearance, learning and school.

The wearing of a school uniform also greatly helps our children to prepare for later life as high standards of dress codes follow in secondary education as well as in many future work places.

If your child can not wear an aspect of our school uniform due to a medical condition or SEND need then please speak to the school directly to discuss how we can support your child's needs – an adjustment to school uniform form will be provided. If you financially find purchasing school uniform difficult then please speak to our Customer Services team at the school office as they will be able to offer support.

As agreed by the school governing body, those children who do not wear uniform will be issued with items of school clothing upon arrival to school to ensure the child engages in their learning in full school uniform.

Lastly, please ensure every item of school uniform has your child's name written in it as we have many unclaimed items in school, which add up to a significant amount of money.

Accessories & Jewellery

Hair bands, clips etc. should be minimal and not cause a distraction or safety hazard to any child. Ensure children do not have oversized bags as these take up too much space in cloakroom areas. The wearing of jewellery is restricted to small stud ear rings only, which will be removed for PE. Pupils may wear a watch (Non gadget type as to cause a distraction).

The school does not take responsibility for lost jewellery.

Active Uniform

Children may also choose to wear our school "Active Uniform", if they prefer to be more physical during the school day. This includes tracksuit bottoms, school T-shirt and School Hoodie.

*Elements of school uniform can be purchased from the school office or school website.
